Experience

- **Digital Marketing**
Specialize in crafting data-driven digital marketing strategies to help businesses boost their online presence, engage their target audience, and drive measurable results across platforms like Facebook, TikTok
- **Wordpress**
With extensive experience in WordPress, I create fully customized, responsive, and user-friendly websites that reflect your brand and meet your business goals, from simple blogs to complex e-commerce platforms.
- **Shopify**
As a Shopify expert, I design and develop robust e-commerce stores that are optimized for performance, SEO, and user experience, helping businesses maximize their sales potential in a competitive market.
- **Python**
I offer versatile Python solutions for web development, automation, data analysis, and more, leveraging my coding expertise to create efficient and scalable software that meets your specific needs.

Web Development

As a skilled web developer, I specialize in building responsive, high-performing websites that are tailored to your business needs. From clean, user-friendly designs to advanced functionalities, I ensure seamless user experiences across all devices
